NEWS NOW

Dear Senior,

Our website, LeeCountyLive.com, was launched in March 2008 and is a News & Information site committed to informing the public of the activities and events in the area. Lee County Live is especially dedicated to the youth of Lee County and is interested in seeing all of our children succeed.

Our new Senior Spotlight section is a way to draw attention to all of the wonderful achievements that our Seniors make and the things that they do to help themselves and enrich the lives of others.

You have been nominated by one of our viewers to be honored in our Senior Spotlight. Your participation is strictly voluntary. All of the information you submit will be considered for publication, please include only information that you are comfortable releasing. Your contact information will only be used to contact you if we have questions, it will not be included on the site.

In an effort to show our appreciation to all of the students who participate we will be making a donation to the 2008 Grad Bash in the amount of \$100. We expect to increase this amount as our site grows.

Thank you and good luck in all that you do in the future.

Sincerely,  
Dana Lehmann
